Consultation on draft clinical standards for bowel screening

Open Meetings

NHS Quality Improvement Scotland is holding open meetings to discuss a consultation document on draft clinical standards for bowel screening. The purpose of these open meetings, which are being held as part of a wider process of consultation, is to give a range of people drawn from all parts of Scotland an opportunity to debate the issues and influence the development of the clinical standards for bowel screening.

When and where are the meetings?

<p>Hilton Glasgow 1 William Street Glasgow G3 8HT</p> <p>Tuesday, 15 August 2006 10.00am - 3.30pm</p>	<p>Highland Conference Centre The Swallow Newton Hotel, Inverness Road, Nairn IV12 4RX</p> <p>Tuesday, 5 September 2006 10.00am - 3.30pm</p>
---	--

During the open meeting the draft clinical standards for bowel screening will be presented by members of the NHS Quality Improvement Scotland bowel screening project group. The audience will then divide into discussion groups. Feedback from these discussion groups will be used to develop the final version of the standards. Your contribution will therefore be critical to ensure we have set the right standards for the service.

Who should attend?

- Colonoscopy staff – clinicians, colorectal surgeons/gastroenterologist, colorectal nurses, nurse endoscopists, endoscopy nursing staff
- Consultants in Public Health Medicine
- NHS board lead clinicians for bowel screening
- Pathologists
- Primary care practitioners
- Radiographers
- Radiologists
